- **MyTutor** is the UK's leading online tuition provider working with over 350 schools and 10,000 parents. They provide one-to-one personalised GCSE and A Level tuition improving results by an average of a grade as well as increasing confidence.
- Tutors are from the UK's top universities with recent exam experience and as well as driving results also act as role-models and mentors to their students.

# Tonight's session will look at:

- 01 Summer learning loss, aka 'Summer slide': The facts
- 02 Summer term – how to ensure KS3 pupils are not 'forgotten'
- 03 'Selling' the benefits of summer learning to pupils and parents
- 04 Resources: providing the tools to minimise summer learning loss

# 01

## Summer learning loss: The facts

# Summer learning loss: The facts

- 2.6 months of maths skills can be lost over the summer
- 2 months of reading skills are lost of the summer
- Only 48% of parents have heard of the ‘Summer learning loss’

02

Summer term

# Summer term

- Focus on KS3 as well as GCSE exams
- Assessment is key – formal and informal
- Identify pupils most at risk of falling behind
- End of Year report

# 03

## The benefits of Summer learning

# ‘Selling’ the benefits of Summer learning

**FACT:** Just two hours a week can mitigate summer learning loss

- Sell as a collaboration: Pupils, Parents & Teachers
- Communication is key
- Identify the need
- Sell the benefit

04

Resources

# Resources

- Teachers use ‘spare’ time to create resources
- Summer learning challenge added to each pupils end of year report
- Reward scheme
- Content – vlogs uploaded to virtual learning environment
- Summer learning challenge – create a community
